Levy Restaurants, the official food and beverage partner at MAPFRE Stadium, and is offering **fundraising opportunities for local non-profit groups** at Columbus Crew SC, Rock on the Range and other stadium events across the 2016 season.

Local non-profit organizations have the opportunity to operate a designated concession stand on event days and share in the profits generated during the event.

Local organizations have the ability to earn a donation anywhere between \$200 and \$1,400 per event, depending on the stand, staffing options and event attendance.

Groups of 15-20 adults (age 18 and older) are needed. Smaller groups may be accommodated with a smaller location.

Event Day responsibilities include: Quality food preparation. Great Customer service skills, responding to guest's wishes for food and beverages. Cash handling, having all cash registered covered.

All members must wear black pants and skid resistant shoes, Levy issued shirt (\$1/shirt laundry fee, returned at end of shift) and hat (\$4/worker, workers keep hats and can use them again at other fundraising events at MAPFRE Stadium. All cost for hats and uniforms will be deducted from commissions paid from event worked.
